## Housing development planning application

As you may be aware, Corby Borough Council refused the planning application for housing on land to the rear of Bury Close on 20 January 2015. We are advised that the applicants have up to six months to lodge an appeal against this decision with the Planning Inspector, giving an appeal deadline of 20 July 2015.

It is expected that the applicants will appeal, although they have not done so as yet. If an appeal is lodged, we will notify you through the village website and email list. Corby Borough Council will also contact everybody who commented on the planning application directly.

## Village Store and Café

The Village Store and Café is delighted with the response from the community to their 'use it or lose it' campaign. More people are coming through the door and, for the last couple of weeks, the shop has traded at a small profit.

The simple fact is that the shop will survive if more people use it - all it needs is a few more people regularly spending a few pounds a day, so pop in, buy a coffee, have a cake or treat the kids to a smoothie.

The shop offers fresh fruit and veg, some amazing cheeses, Hambleton Bakery bread and cakes, and excellent meats from Grasmere Farm, as well as the basics (newspapers, milk, bread etc) at prices that really do compare favourably to other local outlets.

For those who can spare an hour or two, please also consider volunteering. This is a community shop and the community needs to get involved to keep it going.

The shop's **Annual General Meeting** takes place on **Saturday 27 June at 4pm** in the school hall. Chairman David Swallow says: "With several longstanding members looking to step down, we need people with the time, enthusiasm and energy to join the committee and help implement new ideas which will increase sales. We know what we need to do, and we have a plan in place, but we need people to help us put it into effect."

The shop is on [Facebook](https://www.facebook.com/cottinghamshop) (cottinghamshop) and you can contact David on email [davidswallow@me.com](mailto:davidswallow@me.com)

## Cottingham Parish Council update

Cottingham Parish Council would like to thank Councillors Irene Beadsworth and Joanne Leaning, who will be stepping down at the 7 May election, for their contribution and support during their time on the Council. If anyone is interested in becoming a Parish Councillor, the Parish Council would like to hear you. As the remaining six Councillors are male, they are especially keen to see some women back on the Council to maintain balance.

Contact Parish Clerk **Peter Taylor** on **761752**, email [peter.taylor@cottingham.org.uk](mailto:peter.taylor@cottingham.org.uk) or Chairman Owen Davison on **771333**, email [owen.davison@cottingham.org.uk](mailto:owen.davison@cottingham.org.uk)

## Telephone box adopted

Cottingham Parish Council has signed a contract with BT to adopt the red phone box on Rockingham Road. If anyone has any ideas on what they would like to see the phone box used for (some villages have turned theirs into a mini library or gallery, an information point or have installed a defibrillator within it), please contact Peter Taylor, details above, before the end of May.

## New village hall

The Cottingham Recreation Ground Working Group met recently for an update on the layout of new sports facilities and plans for the new village hall on the recreation ground at the back of the school.

The main issue discussed was the proposed access to the new hall. It had previously been suggested to create a one way access road, running from a new entrance on Mill Road to the current exit on Berryfield Road. However, the idea has now been revised because of land ownership and other safety issues.

The group is now looking at a single entrance and exit from Mill Road, which would also allow parents to drop their children off away from the main road. The plan would involve extending the current 30mph zone further up Mill Road towards Bringhurst through a Traffic Regulation Order. The extension of the zone would address visibility issues on Mill Road if the new entrance was to go ahead.

The planning application for the new hall is currently on hold while access is being resolved.

## Anyone for cricket?

East Carlton Cricket Club is looking for players for their men's team. The team plays matches in the Rutland league every Sunday from April to September (fixtures on the village website), with nets practice at 6.30pm on Fridays. ## Quiz time

Del Robertson would like to say a big thank you to all who attended and assisted with his latest 'Souper Quiz' on 25 April. There was an impressive turnout and £201.40 was raised towards the upkeep of the Village Hall Annex. There were just two points between the top three teams, but deserving winners on the night were 'Strictly Come Quizzers'.

Ant Licquorish's 46th quiz, also in April, raised £214 for Medbourne Pre-school, a charity suggested by one of Ant's regular quiz goers. Thanks to all who made the evening run smoothly and to those who provided a varied selection of raffle and other prizes. Ant's next quiz is on 24 October in aid of Northamptonshire Search and Rescue.

## Cottingham & Middleton Festival

The annual Cottingham and Middleton Village Fete has evolved this year into the 'Cottingham and Middleton Festival', and organisers are hoping to make it the best yet!

Details are still being finalised, but there will be lots of games and activities, a bouncy castle, raffle, tombolas, face painting, train rides, pets cuddle corner, helium balloon games, circus skills, Northamptonshire skittles, archery and the ever popular 'made in the villages' stall. Suzanne Preston, our Rural Pride Officer, is also hoping to offer free dog micro-chipping.

Organisers have also invited food and drink providers to have a stall, including all the local breweries, to create a mini beer festival. There is a tea room and a range of food on offer, including a barbecue and alternative dishes from the Travelling Supper Club. There will also be live music including village band *Soundpost*, the Valley Voice Choir and performances from the children of Cottingham School.

A Festival Guide is being prepared to go to every home in the villages.
