Re – ARE YOUR CHILDREN SAFE ONLINE? LEFT TO THEIR OWN DEVICES

Dear Parent/carer,

On **Wednesday 11th March**, we would like to invite you to attend an online safety session for parents/carers of children of all ages, titled 'Left to their own devices.'

Left to their Own Devices, a resource produced by the national charity Care for the Family, is a video-based session to help parents address the challenges of the online world. This 90-minute session is made up of video clips and discussion time which will allow parents to gain an understanding of the online world that our children inhabit. It addresses challenges and provides an opportunity for parents to share their own experiences and ideas while giving them practical tips on how to be a great parent in a world of screens. Please feel free to visit <https://www.careforthefamily.org.uk/courses/lttod> for more information.

The session will be run by the Family Life team from Hope Church, Corby who work in partnership with Care for the Family to facilitate parenting and relationship courses for families across Corby. To find out more, please visit <https://hopechurchcorby.org/sundays/family-life/>

Come and join us at Cottingham CofE Primary School, Berryfield Road, LE16 8XB on **Wednesday 11th March from 6:30 – 8:15pm** (refreshments will be served from 6:15pm). We are hoping that the accompanying book will be available to buy on the evening so please come bring cash (£12.99) if you would be interested in purchasing this. Card payments will not be available.

Admission is **FREE** but places are limited. Please secure your place **BY FRIDAY 6th MARCH** by emailing either admin@cottinghamprimary.co.uk or familylife@hopecorby.org.

Yours sincerely,

Ashley Scott (Headteacher)
