We would like to remind residents that gathering at play areas & public spaces is not classed as social distancing. Whilst the council cannot physically close these areas, we strongly advise that they are avoided for your own & others safety during the Covid-19 pandemic

Staying at home is difficult, especially for long periods of time. However we should always try to be respectful to others. Keeping household noise to a minimum. If you are experiencing anti social behaviour you can report it to the police on 101 or online. You can also report it to the safer Corby team at safer.corby@corby.gov.uk

In an emergency always contact the police dialling 999

You should be self-isolating if you:

*Are over 70

*have existing health conditions

*are pregnant

We are working to try to support people in these categories, in partnership with district and borough councils, voluntary organisations and volunteers in the community.

If you fall under these categories and need support please call— 0300 126 1000 & Select Option 5

Wash your hands of coronavirus scams!

Friends Against Scams aims to protect and prevent people from becoming victims of scams.

Be aware of people offering or selling:

- Virus testing kits - these are only offered by NHS.
- Vaccines or miracle cures - there is currently no vaccine or cure.
- Overpriced or fake goods to protect yourself from coronavirus such as anti-bacterial products.
- Shopping or medication collection services.
- Home decontamination services.

Protect yourself and others:

- Don't be rushed into making a decision. If it sounds too good to be true it probably is.
- Only purchase goods and services from legitimate retailers and take a moment to think before parting with money or personal information.
- Don't assume everyone is genuine. It's okay to reject, refuse or ignore any requests. Only criminals will try to rush or panic you.
- If someone claims to represent a charity, ask them for ID. Be suspicious of requests for money up front. If someone attempts to pressurise you into accepting a service they are unlikely to be genuine. Check with family and friends before accepting offers of help if you are unsure.
