Village Store news

The Village Store and Café will be closing in the afternoons for around a week at the start of September, to allow them to extend their range to include a number of new local products including bread from the award winning Hambleton Bakery.

After this, the shop will be open as normal, Monday to Friday (8am to 6pm), Saturdays (8am to 4pm) and Sundays (9am to 1pm).

To keep up to date with the new products, pop your name on the mailing list in the shop. You can set up a standing order for Hambletons and the shop will also be holding a tasting event in September so you can try the new ranges for yourself. Fun in the sun as village fete raises record £3,687

The recent Cottingham Village Fete raised a record £3,687 for the refurbishment of Cottingham C of E Primary School's Early Years playground and the upkeep of the village church, St Mary Magdalene.

On a glorious summer's day, visitors came along in their droves to enjoy a variety of attractions including live music, children's dance demonstrations, a vintage fire engine, a helium balloon 'lucky dip' game, beer tent, BBQ and homemade cakes, all provided by community volunteers.

The popular 'made in the village' stall, stocked with handmade goods crafted by the ladies of Cottingham and Middleton, along with hand-carved garden sculptures, planters and gift items from Jon and Claire Dixon of Treespace, raised a very impressive £680 alone.

The children were delighted with rides on a miniature train pulled by Pete Stevens' Garrett 4 inch scale traction engine 'Buttercup', the Pets Cuddle Corner from West Lodge Farm Park, that became a perfect chill-out zone during the day, and 10p games and competitions.

The school also celebrated the opening of their Spiritual Garden by Rev Sian Reading. This has been another joint project forging even stronger links between the school and church, providing a quieter place for pupils to enjoy, away from the hullabaloo of the playground.

Fete organiser Angela Preston-Jones said: "We'd like to thank everyone who supported and came along to this year's Fete, and those who advertised in the event guide and contributed to our raffle, which together raised over £1,300 towards our total. This was a true community event and it was fantastic to see people of all ages coming together to help out, chat, relax and enjoy a great day out in the sunshine."

Cottingham School retains athletics trophy

Children from Cottingham School are celebrating after bringing home the Welland Valley Athletics Championships trophy for the second year running.

All 69 children from Key Stage 2 (aged 7 to 11) took part in the tournament, competing against six other schools from Brigstock, Weldon, Gretton, Corby Old Village, Wilbarston and Stanion. Events included 60m and 80m sprints, 400m and 600m runs, relays, triple jump, long jump, speed bounce, quoits and target throwing.

Head teacher Emma Taylor said: "The children have worked really hard for this event, coming along to practice at Athletics Club every Tuesday and Saturday morning, come rain or shine. It has helped create a real sense of teamwork and every single child did their very best – we are so proud of them! I'd also like to thank the parents and teachers that helped to train the children for the event, as we couldn't have done it without them."

Village Hall plans take shape

Detailed plans for the new Cottingham and Middleton Village Hall and enhanced recreation ground facilities were jointly presented at the recent Village Fete by Cottingham and Middleton Parish Councils.

Having received a very positive response, the working group agreed at its meeting in July that the project should now go to the formal planning stage. This will be handled by the appointed architects, GSS of Kettering. It was also agreed that the initial stages of the project should be the provision of a new running track, football field and youth play equipment. Plans and drawings are available on the village website.

Local mums launch new kids online gift store

Lisa Lloyd from Rockingham Road, Cottingham has joined forces with another local mum, Rachel Weston, to launch **strawberry-duck.com**, an online boutique selling unusual children's gifts and decorative items.

The two mums decided to launch the site after struggling to find new and original products for their own children. With a product range already sprinkled with some great local artisan talent, Lisa and Rachel are now keen to hear from other talented designer-makers who create unique gifts for little ones.

Village Store and Café needs your help for its future

By Andy Gilgrist

The Village Store and Café is to relaunch with a wider range of products for sale, but it needs more volunteers and customers as it prepares for a new era standing on its own financial feet.

The series of grants secured to open the shop in 2011 runs out at the end of this year, and the venture needs to balance the books if it is to thrive. A new committee was formed after June's Annual General Meeting, which heard that big decisions need to be made about the future of the Village Store and Café. To break even, the venture may need to reduce the hours it has paid staff on duty, with more volunteers needed to step forward and take responsibility.

The emphasis will switch firmly to the shop element, with the café space and menu likely to be reduced. The café has not delivered the level of business that was envisaged when it opened, whereas a survey of villagers found significant levels of demand for a wider range of products in the shop.

The survey of 191 people found overwhelming support for the shop and that people would buy more, and more often, if there were more products, including local 'artisan' foods, and better promotion.

Despite the support the community-run store and café receives from its volunteers – without whom the doors would not open – trading is patchy. The volunteer committee which runs the not-for-profit hub of village life is deciding what changes will attract more custom and keep costs in check.

Committee chair Wendy Curtis said: "The mode of other community shops is that they have few or no paid staff hours. We have to move to this model and to do that we need more volunteers who will gladly take on more responsibility, such as being in charge, opening up or closing.

"We can be very flexible on when they volunteer – some might prefer to do two hours every week, others a half or whole day once a month – and we also need people to volunteer their skills and expertise in areas such as bookkeeping, administration, painting and decorating. The shop has been amazing for getting people more involved in village life, and volunteering is a great way to meet more people. Training is given, so we are urging more people to step forward."

The new committee – Dorothy Anderson, Wendy Curtis, manager Claire Moorhouse, Chris Owen, Imogen Owen, Jake Raj, Alison Tootle and James Watkins – is forming two sub-groups. The first will focus on: the range of products stocked and marketing, and the second on operations, including volunteers and finances. Villagers are very welcome to join the groups without having to join the committee.

To find out more about volunteering and the sub-groups, call into the shop or contact **Jake Raj** on **07803 701514**, email jakesnraj@gmail.com.
