## October/November 2005

Available online at [www.cottinghamnews.co.uk](http://www.cottinghamnews.co.uk) and [www.middletonnews.co.uk](http://www.middletonnews.co.uk)

Welcome to the October/November edition of the village newsletter.

This edition has come out slightly

too late to advertise Ant Licquorish's 27th village quiz held on 8 October, but Ant says it went really well with the 14 teams that came along raising £248 for Northants Association for the Blind. Ant's next quiz takes place on 29 April 2006, so make a date in your diaries!

Joan Jarman would also like to thank everyone who came along to support the recent harvest festival events at the Methodist Church.

News and events that crop up between newsletters are always featured in Pete Bowman's 'Down Your Way' column in each Saturday's Evening Telegraph.

Also, more than 100 villagers now receive news and details of village events via email. If you'd like to add your name to the email list, simply go on to one of the village websites (addresses above), click on 'join village email list' in the left hand column and follow the instructions.

The websites also carry a full calendar of events right through to the end of the year.

Yours,

*Jane Smith, Editor*

## ABC - Against Building in Cottingham

More than 200 villagers turned up to the first ABC meeting in August to air their views on the proposed development to the rear of Cottingham Hall. Issues raised included concerns about the proposed number of houses, the potential traffic increase, environmental impact, drainage and implications for existing village facilities should the development go ahead.

Several villagers have now offered their support to the steering group. If you'd like to help out, or have any particular skills you'd like to offer, call **Bob Riley** or **Julie Grant** on **771881**. Bob and Julie plan to organise another ABC meeting once the outline planning application for the development has been submitted, which is expected to be late Autumn.

## Cottingham Parish Plan moves forward

Cottingham's Parish Plan is progressing well. There are still more questionnaires to come in but, so far, the Steering Group has collected 365 adult questionnaires, representing 207 households. They've also received 33 questionnaires from youngsters aged 8 to 17, and 48 people have put their names on the participation sheets to find out more about village activities. These names and contact details will be passed on to the relevant groups in the village so they can get in touch directly.

The Steering Group's Joanne Leaning is now starting to analyse the questionnaires but it's a mammoth task that'll take some time to complete. So, if you haven't filled your questionnaires in yet, there's still time. Simply fill in your forms and drop them in to Jane Smith (3 Corby Road) or Jo Leaning (17a Church Street).

For more information, or for additional copies of the questionnaire, contact Steering Group Chairman **Jane Smith** on **770821**, email [jane@cottinghamnews.co.uk](mailto:jane@cottinghamnews.co.uk)

## Mission Possible!

Wendy and Michael Curtis, who are active members of Cottingham Methodist Church, will soon be heading overseas to spend three months working as volunteers in Zambia.

The couple (pictured left) will be helping to develop the Chodort Training Centre, a small trade college in Choma, between Lusaka and Victoria Falls. Michael will be armed with a well stocked toolbox to help with the physical extension of the building and Wendy will be helping local ladies to develop their sewing and business skills so they can produce products for sale at a tourist craft market in Lusaka. Wendy may also be getting involved with the training of pre-school teachers at the local church.

The Methodist Church is holding a coffee evening on **Thur 20 October** at **7.00pm** to raise funds for Michael and Wendy's trip. All are welcome to come along. The couple's air fare, and some costs, will be met by the World Church Overseas organisation.

## Denise Walker Memorial Bench

Many villagers will remember Denise Walker who sadly died last December. Denise lived in Berryfield Road and was a dinner lady at Cottingham School for many years.

A group of villagers has got together to raise money to erect a bench in Denise's memory at the entrance to the school, close to where Denise used to live and in a spot where schoolchildren and parents can use the bench for years to come.

If you'd like to make a donation, please contact **Lee Morecombe (771835)**, **Julie Lloyd (771629)** or **Elizabeth Bell (771053)**.

## Cottingham Parish Council

Cottingham Parish Council is organising a series of Parish Councillor surgeries giving you an ideal opportunity to chat with your Parish Councillors, air your views and find out more about what the Parish Council does.

The sessions are being held one Saturday each month from 10am in the Village Hall Annexe starting with **Cllr George Sear** on **12 November** and **Cllr Pat Buckby** on **10 December** (both pictured right).

Unfortunately, Cllr Clive Ashworth's surgery planned for 8 October (and the Parish Council meeting on 5 October) needed to be cancelled due to Parish Clerk Peter Taylor having been involved in a car accident.

We'd like to wish Peter a swift recovery and hope to see him back on his feet very soon.

## Neighbourhood Watch Update

Neighbourhood Watch schemes have now been set up in Rockingham Road and Stonepit Drive in Cottingham.

Schemes are also in progress for School Lane, Mill Road and Welland View Road (Cottingham) and Ashley Road (Middleton).

If you'd like more information about the schemes, or are interested in setting one up for your road, contact **Luisa Jepson** on **444697**, or email [luisa.jepson@northants.police.uk](mailto:luisa.jepson@northants.police.uk)

## Crime Report

Between July and September this year, seven crimes have been reported in the villages including three vandalised cars and three stolen motorcycles.

Two of the bikes were stolen from locked garages and one from outside the Spread Eagle.

If you own a motorcycle, advice from Northamptonshire Police is to lock it to something secure, even when it's parked in a locked garage, and to have the bike marked with a vehicle identification number.

## Cottingham Community Speedwatch

Community Speedwatch volunteers were out on the village's roads during August and September tracking the speed of vehicles on Corby Road,

Rockingham Road and High Street. Over a 20 hour period, the hand held speed guns clocked 100 vehicles breaking the 30mph limit, the fastest of which was going up Rockingham Road at 51mph.

Northamptonshire Police has sent the owners of these cars a letter drawing their attention to the inappropriate use of speed on the village's roads. Co-ordinator Clive Ashworth would like to thank all the volunteers who operated the guns.

## Cottingham: Village of the Year Results

Although Cottingham missed out on the awards in the recent Northamptonshire 'Village of the Year' competition, the organisers, Calor and Northamptonshire ACRE, have written to praise the village for its achievements in a number of areas.

The judges were welcomed to Cottingham by Ann Davison and a group of villagers in May and were given a tour of the village. In their final comments, they awarded high scores for 'Building Community Life' (70.5 out of 80), 'Business' (8.5 out of 10), 'General Impression' (20 out of 25) and 'Wow Factor' (20 out of 25) to give the village a very creditable 149 out of 200 total score.

The judges singled out particular praise for communications, community events and the Dale, saying that they found Cottingham to be '...an extremely friendly, clean, tidy village...with many actively involved volunteers'. In their summing up, they said that they met many of the villagers and were really impressed by their enthusiasm for their many varied activities, adding that Cottingham is 'a beautiful village with nice people.'

Application forms for next year's competition will be sent out in January so hopefully the village will be able to build on this year's success in 2006.

## Forest Photos

Local historian Dr Peter Hill has recently published a new book in the Images of England series entitled 'Rockingham Forest'. The book is packed full of historical photographs from the Rockingham Forest area, including 14 Cottingham and Middleton pictures.

Many thanks to Mabel Adams, Irene Beadsworth, Colin Bradshaw, Annie Johnson, Pam Moore, Wendy O' Brien, Chris Owen and Eileen Watts who all receive a credit in the book for photographs supplied via the [www.cottinghamhistory.co.uk](http://www.cottinghamhistory.co.uk) website.

Copies of the book are available from all local bookstores, priced £12.99.

## Pictures of Pinfold Bank

Whilst we're on the subject of old pictures, Jackie Sheen (nee Harrison) is currently renovating Pinfold House (No.9 Blind Lane) with a view to moving in next Easter. The house has been in the Harrison family for the last 50 years and Jackie is looking for any old photographs of Pinfold Bank and the row of cottages that used to stand there. If you can help, please contact **Jane Smith** on **770821**, email [jane@cottinghamhistory.co.uk](mailto:jane@cottinghamhistory.co.uk)

## Youth Club

With lots more younger people, from age 8, now coming along to the Youth Club, the club is now being held earlier from 6-8pm every other Monday at the Village Hall Annexe. The club next meets on **Monday 31 October** (after half term).

If you'd like to join the Youth Club, just come along on the night or contact **Diane Cooksley** on **771545**. Also, if you've got a pool table or robust football table that needs a good home, or would like to help out with the Youth Club, Diane would love to hear from you!

## Community Support Scheme Launched

If you run a community group in the village, or are interested in getting a group or scheme started, you may be interested in a new project being run by ENVA (East Northants Voluntary Action) and CVCS (Corby Voluntary Community Services) for Corby Borough's rural villages.

The project offers help and support to community groups including the preparation of business plans to help with funding applications and advice on funding sources. ENVA is also looking to build up a team of volunteers in the villages to help organise and support community schemes going forward.

If you're interested in finding out more, please contact **Debbie Moore** at ENVA on **01933 396382** or email her on [enva@serve.org.uk](mailto:enva@serve.org.uk)

## News Round-Up

A number of volunteers have come forward to start looking at the churchyard and begin tackling the weeds and undergrowth around the gravestones. If you'd like to help out, please call **Mary Freestone** on **771339**.

Building of the **BMX track** on the recreation field has been temporarily suspended following the resignation of working group leader Dave Saunders.

The scheme is now being managed by Cottingham Parish Council. More news to follow as soon as it's available.

A new business, the **Absolute Care Agency**, has been launched in Middleton offering personal, respite, rehabilitation and palliative care, social support and home and garden help for private and social services clients within a 15 mile radius. If the agency's fully trained nurses and care workers can help with any issues of personal care you may have, contact **Wendy Pears** on **772557**.

The '**Active Life**' programme due to start at the Village Hall Annexe in September has unfortunately been cancelled as the Tresham Institute are no longer able to fund the programme. Instead, organisers Sport Active are currently working with Corby Borough Council to get some 'weight and shape management' courses up and running in the area. More news soon.

## Local Lads Bowl 'Em Over!

Young cricketers from Cottingham and Middleton picked up a whole host of players' awards at East Carlton Cricket Club's recent annual presentation evening. Players from the Under-13s and Under-15s squads were honoured for their achievements as the club celebrated yet another successful season which included the Under-15s scooping the Corby & District Wilson Browne Youth Cricket League Championship in a nail biting play-off against Burton Latimer.

Pictured left to right are Daniel Smith (U15s Fielding), Richard Moore (U15s Hat Trick Ball), Paul Tilley (U15s Most Improved Player), Nick Sumpter (Coach and Youth Development Officer), Daniel Partridge (U13s 'Archers' Batting), Ben Leaning (U15s Bowling), Nathan Innes (U13s 'Bulls' Batting), Roger Smith (U15s Manager), Harry Roberts (U13s 'Archers' Fielding), Jamie Bradshaw (U13s 'Archers' Bowling) and Steve Partridge (U13s Manager).

If you'd like to find out more or if you'd like to get involved with the club - especially on the coaching side - call **Nick Sumpter** on **771203**.
